Description:	<p>Following the successful results from the previous company missions Smart textiles to the Netherlands and Flanders/B, the Enterprise Europe Network partners representative for Thuringia/D and Vorarlberg/AT, are organising a matchmaking mission for local companies in the Smart Textiles sector to Dornbirn and Vorarlberg region. This mission is aimed to support companies, mainly SME's dealing with smart textiles in their efforts to develop strategic partnerships and business cooperation between both regions.</p> <p>The EEN company mission will give SMEs the opportunity to establish technology or business partnerships and therefore increase their innovation capacity and make them more competitive on the global scale. The mission will also contribute to improve the cooperation strategies between the very active Smart textiles Clusters in both regions. The mission lasts 2 days and includes targeted company visits in Vorarlberg/Austria, B2B meetings and networking via "Meet & Greet".</p>
